[Ebook pdf] Canadian Coins, Vol One - Numismatic Issues, 65th Edition (Charlton's Standard Catalogue of Canadian Coins)

## **Canadian Coins, Vol One - Numismatic Issues, 65th Edition (Charlton's Standard Catalogue of Canadian Coins)**

**W. K. Cross : Canadian Coins, Vol One - Numismatic Issues, 65th Edition (Charlton's Standard Catalogue of Canadian Coins)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Canadian Coins, Vol One - Numismatic Issues, 65th Edition (Charlton's Standard Catalogue of Canadian Coins):

0 of 0 people found the following review helpful. Charlton's Guide to Canadian CoinsBy Donald PetersonThis book is a must for anyone interested in collecting Canadian coins. Excellent illustrations are provided for helping to correctly identify the various varieties often minted for a single year and denomination. Also provides retail price as a function of condition.0 of 0 people found the following review helpful. Five StarsBy John R. OkersonFine product!0 of 0 people found the following review helpful. Very informativeBy Greg MyersHas a vast amount of Canadian coin history. I collect coins and thought this would be a helpful reference guide.

The 65th edition of Canadian Coins with a strictly numismatic content will be released July 2010 at the RCNA Convention in Saint John. This 384-page numismatic listing of Canadian coins is a must for dealers and collectors alike who wish to keep up-to-date in their hobby. This catalogue lists and prices all circulation (business strike) coinage issued in Canada from 1870 to 2010. Each denomination is listed by date with pricing for all collectable grades. Naturally, all segments from the French Regime to the later test tokens have their separate chapters. The Variety Section in the 65th edition is devoted to the Victoria Large Cent Series, 1858 to 1901. Eighty-one large cent varieties are listed, most are constant but a few are progressive. The progressive varieties are examples of what a collector may expect from this challenging series. The Victorian Canadian Variety Series which began in 2006 with the fifty cent coins now ends with the publishing of the large cent varieties.
