Crabtree The Grand Army of the Republic, the largest, most powerful and longest-lasting veterans organization to come out of the Civil War, saw a lot of souvenirs made. Badges, pins, ribbons and wall decorations were all produced for the ex-soldiers of the Union and this book tries to illustrate a wide range of the items sold to the GAR. As an added bonus, the book also has items produced for the Union Volunteers Union (UVU) and the Union Veterans League (UVL). The photos are excellent!

In the 83 years following the American Civil War, a powerful organization known as the Grand Army of the Republic dominated the life of the Civil War veterans. Founded in 1866, the organization's membership peaked in the 1890's, with nearly 450,000 veterans. In 1949, the last surviving members disbanded the organization and it became history. The organization was all but forgotten except by Civil War enthusiasts, historians and collectors of Grand Army of the Republic memorabilia. During its existence, the Grand Army produced souvenirs in the form of badges, canteens and good luck horseshoes. "Canteens Horseshoes," is an in depth study of what the veterans left behind. This volume containing approximately 280 colored photos of Veteran's badges, miniature canteens and canteens used to hold the veteran's liquid of choice, "whiskey." Their motto, "We Drank from the Same Canteen" had real meaning to the veteran. Along with canteens, this study contains a large variety of little known, and often overlooked, decorative horseshoes which the Civil War veteran proudly displayed in his home. After nearly 60 years of collecting, researching information at numerous museums and conversing with other avid collectors, I have compiled and cataloged this study on Grand Army canteens and horseshoes. This study will give the novice and advance collector a better understanding of what can be found on the collecting market. The last remaining veterans never realized how fascinating their souvenirs would become to future generations.

About the Author Douglas W. Roussin has been collecting and studying Civil War and Grand Army memorabilia for nearly 60 years. This is his second book on GAR memorabilia. Doug is a current member of the Civil War Veteran Historical Association and present Camp Commander of the Sons of Union Veterans of the Civil War.
