## **Carroll And Boone Counties, AR (PHS) (The Postcard History Series)**

**Ray Hanley, Diane Hanley : Carroll And Boone Counties, AR (PHS) (The Postcard History Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Carroll And Boone Counties, AR (PHS) (The Postcard History Series):

From the 1890s through the 1920s, the postcard was an extraordinarily popular means of communication, and many of

the postcards produced during this golden age can today be considered works of art. Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes, documenting local landmarks, and assembling crowds of local children only too happy to pose for a picture. These images, printed as postcards and sold in general stores across the country, survive as telling reminders of an important era in Americas history. This fascinating new history of Carroll and Boone Counties showcases more than two hundred of the best vintage postcards available.

About the Author Collected and interpreted by Ray and Diane Hanley, the images in this informative volume provide readers with a delightful trip down memory lane, bringing an important period of the areas history to life for visitors and members of the younger generation.
