Cartier

Hans Nadelhoffer : Cartier before purchasing it in order to gage whether or not it would be worth my time, and all praised Cartier:

7 of 7 people found the following review helpful. Great history book and PICTURES!By SharAfter viewing the "Carier and America" show at the Legion of Honor in San Francisco I had to get this book. It includes most everything we saw at the exhibit plus more. The history of Cartier and the people who commissioned pieces and more are included. And of course there are the pictures! Exactly what you want, large, clear, detailed beautiful pictures. This is the only book you need for everything Cartier.0 of 0 people found the following review helpful. Five StarsBy

Customerbeautiful0 of 0 people found the following review helpful. Five StarsBy Keith LentzI thought this was a great book with fabulous pictures of jewels!

From modest beginnings in Paris to predominance in the world of high fashion, the rise of the house of Cartier is comprehensively chronicled in this lavish volume. In the 1980s Cartier granted Hans Nadelhoffer exclusive access to its archives in order to write the definitive history. Long out of print, Nadelhoffer's exhaustive research has been revived with lush new photography and design sketches of the world's most distinctive and finely crafted jewelry. Through charming and compelling anecdotes, these famed gems and the elite clientele who don them are brought to life. This fully illustrated account is the essential complement to any jewelry lover's collection, and will satisfy the longings of all those who covet this legendary brand.

About the AuthorHans Nadelhoffer was jewelry expert for Christie's auction house in Geneva and spent three years immersed in the Cartier archives in Paris, New York, and London gathering material for this book.
