The second edition of *Cash In Your Coins* by Beth Deisher is another NLG Extraordinary Merit Award winner. . . . A statement on the book's cover reads: The book that belongs in every collector's safe deposit box Talking the Talk is one of the book's most important chapters, as it helps the non-collector acquire the vocabulary of the numismatist. . . .

. If you know that your heirs won't have the knowledge about coins and collecting that they need to realize an appropriate amount for your collection, then you owe it to them to purchase this book and keep it wherever you store your coins. --Coinage Yearbook, Winter 2016, by Mike Thorne
