Cattle Brands: Ironclad Signatures

Jane Pattie : Cattle Brands: Ironclad Signatures before purchasing it in order to gage whether or not it would be worth my time, and all praised Cattle Brands: Ironclad Signatures:

2 of 2 people found the following review helpful. Cattle Brands: Ironclad SignaturesBy Debbie LolleyCattle Brands: Ironclad Signatures just arrived in the mail! I am in love with this book already. It is absolutely wonderful. Nice presentation-- clean crisp! Lots of history -- a lot of work went into the making of this book. I can't wait to share with my sisters that I have purchased this book. We are from Texas -- and love any history such as this.0 of 0 people found the following review helpful. Great book well put togetherBy cleanupgrIf you are a history buff and love life in the past this book will keep your interest all the way thru. We collect old branding irons, when we can find them, and brand a wall in our house. We have all wood in our home so it really looks cool. My husband did some work for a retired brand inspector and he said to look for this type of book. It is one of my favorites.?:3 of 3 people found the

following review helpful. cattle brandsBy lizThis book is everything I hopes it would be-cattle brands a very important means of identification for livestock and the story behind the creation of each brand is fascinating.

Cattleman Leonard Stiles, during his career with the legendary King Ranch and as a field inspector in the special division of the Texas Rangers, collected more than one thousand branding irons. These clever, rustic, and artistic iron signatures appear as detailed drawings, with fascinating stories of how they were designed and why, the ranches and historic cattle drives with which they were associated, and how rustlers attempted to alter their appearance.

About the AuthorJane Pattie has written numerous articles specializing in Western topics and raises registered quarter horses and thoroughbreds. She is a photographer and award-winning writer of *Cowboy Spurs and Their Makers*, *Cowboys Who Rode Proudly*, and *John Wayne . . . There Rode a Legend*.
