Cavalry Swords of the World: Price Guide for Collectors

Harvey J S Withers : Cavalry Swords of the World: Price Guide for Collectors before purchasing it in order to gage whether or not it would be worth my time, and all praised Cavalry Swords of the World: Price Guide for Collectors:

0 of 0 people found the following review helpful. Great Price Research ToolBy Michael CharbonetNothing fancy.....but good photos for research and pricing. It will serve as a base point for value purposes in determining a fair price for the sword collector. All major countries are covered. Nice work Harvey.

A brand new and full colour reference book and price guide for collectors of antique cavalry swords!! The book contains over 900 full colour detailed photographs of antique cavalry swords. Each listing includes close-up photographs of each sword and its current market value in both \$USdollars, Sterling and EUROS. There are also comprehensive sections detailing the historical background, current market in antique cavalry swords, collecting

antique cavalry swords, the care and preservation of antique cavalry swords and a bibliography.
