Charms and Charm Bracelets: The Complete Guide

Joanne Schwartz : Charms and Charm Bracelets: The Complete Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Charms and Charm Bracelets: The Complete Guide:

5 of 5 people found the following review helpful. Highly recommended for Casual Collector ProfessionalBy Betsy's BijouxI am a vintage jewelry dealer, collector and designer and I absolutely love this book! All the photographs are of highest quality and the information contained in the text is spot on. There are charms that are incredibly rare but a joy to see and there are ones that a collector can see on a daily basis if they look to a site like Ruby Lane. My only gripe is that there has never been a Volume 2 as there are so many more charms out there to showcase.0 of 0 people found the following review helpful. Great Charms Charm Bracelets Guide Book.By JB TumlinIf you're into Charms and Charm Bracelets, this is the book for you. Highly Recommend. Great Seller, Fast Shipping Arrived in Excellent Condition.

Thanks.0 of 0 people found the following review helpful. Five StarsBy Mama RoA good guide, but by no means complete. A must have for the "charmer".

Virtually every American woman has a charm or two tucked away somewhere or has inherited a charm bracelet from a relative. Charm collecting has grown into a competitive and popular pastime with an international following. Consider the evidence - eBay lists over 20,000 vintage charms and bracelets daily, and prices for older pieces continue to escalate. This is a much-needed, comprehensive and entertaining guide to charms and charm bracelets, profusely illustrated with over 300 color photographs. It shows the wide variety of styles ranging from gold to plastic and from the 19th century to the present. Readers will learn to date and determine the value of charms and appreciate their history and uses over the years. Collectors, dealers, jewelry and fashion historians, and appraisers will enjoy the many beautiful examples. This new book is a great help for jewelry collectors everywhere.

About the Author Joanne Schwartz is an avid collector of antique and vintage jewelry. Her personal library includes more than 100 vintage jewelry catalogs, and she is a member of the Society of Jewelry Historians. Ms. Schwartz is active on the Northern California antiques show circuit. \nJoanne is a lifetime resident of Silicon Valley, California, where she lives with her husband, Bob Schwartz, and their son, Harrison. She holds a Masters of Business Administration degree from the University of Santa Clara and is employed in the high-technology industry. She wrote this book to justify buying a ridiculous number of charms and catalogs.
