Christmas Jewelry (Schiffer Book for Collectors)

Mary Morrison : Christmas Jewelry (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas Jewelry (Schiffer Book for Collectors):

Mary Morrison's Christmas Jewelry 2nd editionBy She Who VolunteersIf you are going garage sale shopping, this book will fit in your tote and provide immediate information. Ms. Morrison does a good job of organizing alphabetically by designer, and she takes the time to warn about copies, particularly the Weiss tree pins.

She also has a theme section with pointsettia pins, candles, reindeer, etc. I really like the cover where she lays a selection of her pins on a piece of Christmas fabric. I do find the print of the captions very small, even wearing my glasses, no doubt an accommodation for the size of the book. I also sometimes have trouble deciding which pin among three or four she is describing. Each is noted in the text with a letter of the alphabet, but there's no letter on the picture.

I would also recommend that in her next edition, her husband not photograph any pins on dark paper backgrounds. In several instances, a dark burgundy or sapphire paper makes it impossible to see the details of the pin.6 of 7 people

found the following review helpful. Christmas JewelryBy Mindy HarmonGreat book for vintage Christmas pin collectors. Sections divided into signed Christmas Trees, Unsigned Christmas trees, Wreathes and Flowers, Candles and Laterns, Decorations, Animals, Santas, Sleighs, Snowmen, Angels and other figures. Ideas on how to display your collections. Good clear pictures and excellent detailed discriptions of each pin. Also includes a price guide and jewelry care section. Highly recommended as an addition to your book collection.

Over 340 dazzling photographs of over 900 Christmas tree pins and wreaths, snowmen, Santas and ornaments of costume jewelry. Ranging in price from a few dollars to hundreds, this jewelry is growing in popularity because it delights all. Text includes company histories and revised Price Guide.
