## Christmas Postcards: A Collector's Guide

**Robert M Reed : Christmas Postcards: A Collector's Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Christmas Postcards: A Collector's Guide:

0 of 0 people found the following review helpful. christmas postcard bookBy arjohneverything went well1 of 2 people found the following review helpful. Christmas PostcardsBy xPrices of the postcards shown (pictures are excellent), are way under what the market was when the book was published in 2007. They must have been using 1967 for a price base. Also, expected more about postcard manufacturers rather than what was going on during a decade.3 of 4 people found the following review helpful. great bookBy W. Drakegood information and excellent pictures; tons of photos; very nostalgic and helpful to the collector

Experience warm wishes and happy remembrances of Christmas through postcards, rural carrier cards, and business trade cards organized chronologically from the 1880s through the 1920s. Over 740 beautiful and charming color images show how Christmas sentiments, card designs, and that right jolly old elf Santa himself changed with the

times. The engaging text provides a brief history of postcard production, a discussion of Santa's enduring image, key postcard artists and publishers, and valuations for postcards. This is an essential volume for postcard collectors and all who love the Christmas season.

About the Author Robert M. Reed has been collecting Christmas postcards for many years from his home in Indiana.
