It has cool pictures and really good quotes, it's just really small.0 of 0 people found the following review helpful. celebrating the cigarBy David A. BaerThis tiny gift-book from CIGAR AFICIONADO latches onto the celebratory nature of modern cigar-smoking and works it for all its potential. Essentially, it's a compilation of quotes by cigar smokers and about cigar smoking that will give the average celebratory cigar smoker a good chuckle.A good stocking-stuffer for the guy who fits the demographic.0 of 0 people found the following review helpful. A practical yet inspiring tome of quotes from famous cigar aficionados combined with helpful tips and information. Features a useful foldout ring gauge for measuring cigar diameters.
