Cloth Dolls: How to Make ThemBy SunnySo glad I got this book. Large variety of dolls, using many varied techniques. Big dolls, small dolls, dolls with lots of detail, as well as the more simple dolls. All dolls have patterns for at least one outfit, and some have more. One of the dolls even has instruction for making a very detailed cardboard and fabric wardrobe to store her clothes in! Instructions for all dolls are very clear and detailed, with many illustrations. Beginning of book is a whole tutorial on all aspects and intructions that apply to any doll. I've been making dolls for years, and still learned new things! Very happy to have this book in my collection!

Includes a 45-page section on basic dollmaking, plus exquisite doll designs from 10 noted dollmakers.
