Clues to American Furniture

Jean Taylor Federico : Clues to American Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised Clues to American Furniture:

0 of 1 people found the following review helpful. Clues to American FurnitureBy GavinThe book is slightly bigger than a pamphlet. The question is what is the purpose of this book. It is too general for an furniture and probably even so for a laymen. The authors need to give this book some girth, kill some more trees.

Our popular "Clues" series about American life.
