Top qualityBy DenI bought this particular denomination for my Dad, who is 90 and has a lot of old coins laying around. He said he enjoyed organizing his collection and the folders worked great. I have purchased other denomination folders from and they are all top quality.0 of 0 people found the following review helpful. read what book you are getting carefullyBy ryvaThis book was indeed what I was looking for but watch out for different

versions in other books. For example, Whitman published 2 versions of the state quarter collection one that has slots for both mint marks and one that doesn't. one version requires 3 volumes to fulfill the collection the other only 2. so I bought volume one of the one with three volumes thinking it was volume one of the one with two and when I got it I was missing about 2 years in slots. I couldn't tell it was different by looking because I thought there was only one volume one and it said "volume one"

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.
