Excellent Folders, Excellent QualityBy ReviewerLike the review from "Big Mac" states, follow the instructions, which by the way, have been the exact same instructions coin collectors have been using for at least 50 years. It truly is so easy a child can do it; simply insert the coin at an angle and then push the other side down.I remember having these same folders when I was a kid in the late 60's and I'm happy to report they are just as fine a quality now as they were back then. I know this because I still happen to have two of them. Unfortunately they are now made in China when they used to be made in the U.S., but what isn't. So to sums it up, if you need a coin folder, Whitman has always done a real nice one.1 of 1 people found the following

review helpful. i own thisBy read it allWhitman Jefferson nickels collection is a good quality folder for the new and old collectors alike. two of its 3 pages has 22 slots and one has 21 slots holding a total of 65 coins and for either displaying the back or some other special coins you may have. There are no labels but a space to do you own labeling is provided. Read the directions and inserting the coins is no problem. this would make a great "tooth fairy" album because it will hold what ever pennies you want to put in it. if you like to collect out of your pocket change, this is probably for you =>0 of 0 people found the following review helpful. Nickel folderBy The BatJust like I remembered when I bought them new many years ago.One of the very few items that have kept their quality level.

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.
