## Coin Roll Hunting Us Pennies: Finding Rare Coins For A Penny

**Jason Sadur : Coin Roll Hunting Us Pennies: Finding Rare Coins For A Penny** before purchasing it in order to gage whether or not it would be worth my time, and all praised Coin Roll Hunting Us Pennies: Finding Rare Coins For A Penny:

0 of 0 people found the following review helpful. Didn't realize it would be such a short "book". ...By CustomerDidn't realize it would be such a short "book". I'd call it more of a pamphlet. This was my first coin collecting book -I'm new to the hobby- and it was a bit of a let down. There also was a significant amount of typos within just the first page or two. This just discouraged me further from reading more of this little book. The information is decent, but it needs to

be written in a clean way, and possibly touch on a few more points. 1 of 1 people found the following review helpful.

By William Malone  
Happy it was only 2.99  
Would have liked more actual information on the process of how and where to get rolls. Most of the information presented is readily available on the Internet--and free.

Coin Roll Hunting Copper Pennies is the tool you need if you are planning on coinroll hunting Lincoln Memorial Cents. In the book we go over what to look for , Pictures of what the rare finds are. Keep this book handy while you coin roll hunt. We also go over the Equipment you can get to upscale your efforts. We go over Wide AM's And Close AM's Double Dies How to dump the coins you don't want with out having to roll them back up. Quick ways to sort. And of course how to upscale your coin roll hunting activities. This is truly the only resource book you will ever need for the hobby in Coin Roll Hunting Lincoln Cents. At our low price you can't go wrong.

About the Author  
Father of 2 daughters, a pet dog and a passion to coin roll hunt for rare coin varieties that cost me next to nothing to find.
