Lack of illustrations for every coin makes it tedious to find some coin types, especially Celtic coin types. For Celtic coins, you should buy "Ancient British Coinage", which is fully illustrated and includes lots of information about the history.0 of 0 people found the following review helpful. sister-in-law said she hadn't seen him so excited with a Christmas present in years! He is a metal detector enthusiast and has recently been on a trip to England to metal detect.
