After getting the book I even found the doll on the cover at a thrift shop for \$8.00! I had to mend her arm but have the book with the doll on a display shelf. I probably wouldn't have been aware of this doll or others had I not found this informative book.0 of 0 people found the following review helpful. An INCREDIBLE presentation of African American DOLLS! :*)By Tonya SimsWOW, this is absolutely NOT what I expected, but was truly looking hoping for! Oooh, the incredibly vivid detailed presentations of such wonderful, beautiful, unique, precious African American/Black dolls is simply breathtaking; I simply love it!! Many thank yous to talented author Yvonne Ellis, for such a fabulous gift of reference study on the extremely popular passion of DOLLS! A must-have for anyone that loves a doll and/or needs some great research/reference on some of the many, many sweet varieties in this subject. I really found something here! :*)Peace, love, dollies,Tonya S.0 of 0 people found the following review helpful. Two StarsBy Iris StarWas hoping for more in depth history of the African American dolls.

History comes alive in this beautifully illustrated book of legendary African-American dolls. This book showcases hundreds of African-American dolls, beginning with the early 1800s through the nineteenth and twentieth centuries. The dolls are shown in spectacular color and are among the most popular collectibles today. The Early Years includes dolls made of papier mach, china, composition, bisque, magic skin latex, hard plastic, and vinyl. Special features include a variety of life-size dolls, doll house dolls, cloth dolls, artist and reproduction dolls, and paper dolls. All are displayed with detailed descriptions and current market values. The dolls featured are a delight to the eye. Every doll lover and collector of black memorabilia will want to add Collectible African American Dolls to their collection. 2008 values.

COLLECTING AFRICAN AMERICAN DOLLS: IDENTIFICATION VALUES is a key reference for any neo-professional doll collector. Its specific focus and arrangement by doll maker allows for quick identification using the many color photos paired with each listing, while brief histories and the latest value ranges will prove key to collector's efforts. -Midwest Book About the AuthorYvonne Ellis has loved dolls since her early childhood. She has collected a diverse group of dolls for over 30 years. Professionally, Yvonne is a Seasoned Human Resources Manager and holds a Bachelor of Science degree in Public Administration in the area of Administrative Management. In addition to writing and collecting dolls, she enjoys reproducing reproduction dolls, sewing, miniature dollhouses and golfing.
