Many people enjoy collecting antique figures, dolls, toys, containers, sheet music... etc. that show black people in all styles of dress and function. They often depict famous people, musicians, and advertising figures, and the variations are many. This book displays 425 color images from several private collections, each item described with measurements and an estimated value range.

Collecting Black Memorabilia- A Picture Price Guide explores the realm of all these items from days long gone in a vivid, easy-to-use price guide. Advertising, books, ceramic items, dolls, prints, music, and various textiles are but an example of what is contained within this guide. Full color photographs, up-to-date listings, and a convenient index make this volume a pleasure to work with. Includes an enhanced section on displaying your collectibles. 1997
