This is such a great book to use to identify willow patterns. I am really enjoying it and so glad I bought. It would be the perfect gift for any willow collector.0 of 0 people found the following review helpful. Helpful for spotting Blue Willow ChinaBy Buddy MasseyI bought this as a gift to a collector of Blue Willow and it has really helped her to spot things at Garage sales, Estate Sales etc...She Loved it0 of 0 people found the following review helpful. Good Guide for Blue Willow CollectoresBy Denise BakerMy sister also found this to be a great guide to help identify and find the value of some of her Blue Willow collection. Very Satisfied

Almost 500 colour photos of Willow Ware items, ranging from the everyday dishes and kitchenware to rare and fine

pieces, are included in this unprecedented book. Traditional patterns, variant patterns, border designs, variations in colours and shapes there's something for everyone in this book.
