It gives me information that I knew nothing about before, it has beautiful pictures, it it organized in such a manner as to easily find items, and gives information about the companies that Fenton made glass for. I highly recommend this book!0 of 0 people found the following review helpful. Good Useful Reference Book On Fenton GlassBy LlynnVery useful reference book to have on Fenton Glass0 of 0 people found the following review helpful. Good choice for beginnersBy Peggy WatsonI am new to the world of Fenton so I am enjoying all the information and photographs of examples provided. Good choice for beginners.

Displayed in 900 beautiful color images are the Fenton Art Glass special order items produced from 1980 to today, ranging from baskets and chop plates to rose bowls and vases. These dazzling, much-coveted items were made-to-order for various companies, collectors' clubs, and individual customers. The company orders from Aladdin(TM), Anheuser-Busch(TM), Lenox(TM), and QVC(TM) are featured. The text includes brief histories of the ordering companies, clubs, and individuals, Fenton logos used, a glossary of terms, a detailed bibliography, and values in the captions. For those who seek Fenton's popular glass, this book is an essential reference.

About the Author John Walk is an expert who has been collecting, dealing, and writing about Fenton Art Glass for years.
