(Read ebook) Finger Weaving Scarves Wraps: 18 Fun, Easy Projects Made without Loom, Needle or Hook

## **Finger Weaving Scarves Wraps: 18 Fun, Easy Projects Made without Loom, Needle or Hook**

**Naoko Minowa : Finger Weaving Scarves Wraps: 18 Fun, Easy Projects Made without Loom, Needle or Hook**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Finger Weaving Scarves Wraps: 18 Fun, Easy Projects Made without Loom, Needle or Hook:

2 of 2 people found the following review helpful. The instructions for the projects are easily understood, and the helpful tools are items that ...By Kathryn MarmonThe projects are interesting and practical. I think that once I have learned one or two they can be adapted to other types of yarn. The instructions for the projects are easily understood, and the helpful tools are items that can be found around the home.1 of 1 people found the following review helpful.

Three StarsBy K. J. HessCould not understand instructions. May have been because I have no knitting experience.5 of 6 people found the following review helpful. Good fun and easy to have a go.By Susan DWell if you are the same as me you would of heard of finger knittingbut I hadn't heard of finger weaving.This book soon changes that.The book takes you through each of the steps of finger weavingand take you on a journey to create different designs.With just a small amount of tools you can make anamazing array of designs;YarnRulerStringWater BottleScissorsNeedleThe designs are similar to finger knitting designsas they use beautiful bulky yarn.This means that in a short space of time you have a beautiful project.Each of the pages are beautifully put together.They seem to just have a certain amount of informationon each page so it's clear and easy to follow.There aren't any specific yarns used but just the colour weightof the yarn to make the design.I think this book would make a good present thatlikes trying new things.It's versatile and easy to follow meaning in a very shortperiod of time you can make the projects in the book.Once you understand the technique you can also useyour knowledge and create your own design.If you want to try something new that you don'thave a huge outlay on they you'll really want to try this book.I received this book to review.However all opinions expressed are my own.No monies were exchanged.

Do you want to make scarves and wraps but feel intimidated by knitting needles, looms, or crochet hooks--or are you just always interested in trying a new technique? Finger Weaving Scarves Wraps will teach you to weave simple patterns from yarn using just your fingers and a few basic tools you already own, such as a ruler on which to tie the yarn and a water bottle to hold the ruler in place while you work--it's that easy! Easy-to-follow illustrated step-by-step instructions guide you through the process for weaving each of the 18 patternsCreate fashionable handwoven scarves, wraps, and other projects with simple weaving techniques--no loom requiredChoose your own colors and yarns for a myriad of personalized accessories

About the AuthorNaoko Minowa opened Studio A Week, a hand-weaving and vegetable dyeing shop, school, and gallery, in Japan in 2011. She introduced finger weaving to provide her students with an unintimidating way to learn weaving. She is the author of many books and chairperson of the Japan Senshoku (Dyeing) Association.
