Fishing Collectibles: Identification Price Guide

Russell Lewis : Fishing Collectibles: Identification Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Fishing Collectibles: Identification Price Guide:

0 of 0 people found the following review helpful. One of the better books I've seenBy JOHN SNIPEROne of the better books I've seen. Great pictures and a large variety of fishing products and history. About as close as you will get without having all of the actual vintage catalogs.0 of 0 people found the following review helpful. No...not a good bookBy CG VeachLooks like he wrote about the one he collected. Missing a LOT of informatiopn. I sent it back0 of 0 people found the following review helpful. Four StarsBy Sheila PadgettBook was in very nice condition and a very informative book!

From the publishers of Old Fishing Lures Tackle, the industry standard in fishing collectibles, comes a book devoted to helping collectors identify any fishing collectible! From rods and reels to fish decoys and bait buckets, this must-

have reference will easily hook any fishing collectibles enthusiast. This full-color book delivers descriptions, value, history and dates of collectibles in a familiar and reliable format. There is also information on manufacturers and over 2,000 photos for easy identification and greater appreciation! Collectors and fisherman alike will not want to be without this informative and detailed resource. -2,000 full-color photos to help collectors assessing collectibles - Information on fishing gear manufacturers keeps collectors updated
