Fishing Lure Collectibles, Vol. 2, Second Edition

Dudley Murphy, Deanie Murphy : Fishing Lure Collectibles, Vol. 2, Second Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Fishing Lure Collectibles, Vol. 2, Second Edition:

0 of 0 people found the following review helpful. Lure CollectingBy Mary EveAnother great book for the vintage lure collector in your life! My dad is overzealous about these objects. This book is loaded with lures and necessary collector info. There are other editions, some cheaper and there are those editions that are just as expensive as the lures themselves. Beginner or old hat, this is an excellent addition to any collection.0 of 0 people found the following review helpful. Very Informative on Vintage LuresBy Julie A. ThemWe went to a collector's conference and found that the information that we had gleaned from this important volume helped us to select or walk away from lure collections offered for sale. Like anything else, not all lures are of collectible value and not all collectible lures are vintage.0 of 0 people found the following review helpful. ... own 3 lure collection books and this is the best by farBy Camp RatI own 3 lure collection books and this is the best by far!! Excellent information on modern lures from 1940

to now. Would definitely recommend this to any collector.

This book is one of the first to place thorough emphasis on spinning lures, contemporary collectibles, and miscellaneous lure companies, covered only vaguely in other volumes. Highlighted are the 'big six' companies: Creek Chub Bait Co., Heddon, Paw Paw, Pflueger, Shakespeare, and South Bend. Almost 1,700 detailed color photos of more than 3,600 lures supplement the chapters devoted to the big six companies, miscellaneous companies, spinning lures, folk art, and the rapidly growing area of contemporary collectibles. AUTHORBIO: Dudley Murphy decided to become a lifelong collector of fishing lures at the age of 13, when his grandfather presented him with a gift of old Heddon, Jamison, and Clark lures. As one of the three founders of the National Fishing Lure Collector's Club, Dudley is an active collector with a variety of interest, including fishing. REVIEW: This book concerns itself primarily with the most collectible antique fishing lures made since 1940. Each section begins with a short introduction about the company, followed by vivid, representative color photographs that the company made. Each photo lists the name of the lure, number, date manufactured, length, collector value, and any important notes or details about the lure. -Robert Clayton
