For the Love of Lucy: The Complete Guide for Collectors and Fans

Ric B. Wyman : For the Love of Lucy: The Complete Guide for Collectors and Fans before purchasing it in order to gage whether or not it would be worth my time, and all praised For the Love of Lucy: The Complete Guide for Collectors and Fans:

0 of 0 people found the following review helpful. loved itBy don't have onevery pleased0 of 0 people found the following review helpful. A nice addition to our Lucy collecitonBy Ruth A MayerA nice addition to our Lucy colleciton. More wear and tear on cover than expected, and it is an old book, but very interesting.0 of 0 people found the following review helpful. woot! love this bookBy AnthonyThis book is AWESOME! I don't even really need to buy whats inside it because I can just open up this book and look at them all. Love this, and huge! so when its set down somewhere people HAVE to see it lol. Thanks so much!

Over the course of her fifty-year career, Lucille Ball appeared in eighty movies and starred in five television series. And ever since the first episodes of "I Love Lucy" aired in 1951, she has been America's favorite funny lady. Now her legions of fans can revel in a book devoted to all the memorabilia her extraordinary popularity has generated. From the thirty-six TV Guide covers on which she appeared (more than anyone else) to Dixie-cup lids, from "I Love Lucy" pajamas to Little Ricky dolls, from board games to paper dolls, from vintage movie posters to Lucite paint ads, from Belgian cigar bands to collector's plates, more than 600 items are reproduced, most in full color. Author Ric Wyman, who has been collecting Lucy memorabilia for a decade, also provides a complete filmography and exhaustive radio and television credits, including the title of every episode of every series Lucy starred in and the date it first aired. Complete with numerous black-and-white stills from her perennially popular shows, this delightful volume is a must for nostalgia buffs, collectors, and the untold millions of viewers who have found themselves laughing out loud at the zany antics of our First Lady of Comedy.

From Booklist Americans really did love Lucille Ball. That love is manifested in the hundreds of magazine covers, advertisements, toys, and other memorabilia featuring the comedienne and lovingly documented here by megafan Wyman. The oversize volume showcases, mostly in color photos, more than 600 dolls, board games, movie posters, advertisements (in which Ball endorses everything from Philip Morris cigarettes to the Encyclopaedia Britannica), comic books, her record 36 TV Guide cover appearances, and rare and one-of-a-kind things such as studio-audience tickets, scripts, and items from her wardrobe. A final section spotlights more recent home videos, trading cards, fan club magazines, and commemorative plates from "the Lucy revival." As a bonus, Wyman lists the episodes of all Ball's radio and TV series, her radio and TV guest appearances and specials, and movies. Gordon Flagg Trivia blends with Lucy collectible displays in this lavish presentation, which showcases magazine covers, dolls, games, ads, and a host of Lucy memorabilia. A beautiful and detailed look at Lucy from the art and collectibles angle, this provides hours of entertainment and fun. -- Midwest Book From the Back Cover Illustrated with hundreds of Lucille Ball collectibles, plus stills from her unforgettable TV series, and packed with trivia about every movie and TV show she appeared in, this volume celebrates that blue-eyed redhead we all know and love as Lucy. Over the course of her fifty-year career, Lucille Ball appeared in eighty movies and starred in five television series. Now her legions of fans can revel in a book devoted to all the memorabilia her extraordinary popularity has generated. From the thirty-six TV Guide covers on which she appeared (more than anyone else) to Dixie-cup lids, from "I Love Lucy" pajamas to Little Ricky dolls, from board games to paper dolls, from vintage movie posters to Lucite paint ads, from Belgian cigar bands to collector's plates, more than 600 items are reproduced, most in full color.
