Four-harness weaving

Kernochan Bowen : Four-harness weaving before purchasing it in order to gage whether or not it would be worth my time, and all praised Four-harness weaving:

Most of what is recommended is out of date, I have been taught much more modern methods of dressing a loom and there are no patterns in the book. I was expecting to see a number of draw-downs, but she only tells how to DO a draw-down. No samples to try just an out of date book that is going to go to the library.
