"FULL CIRCLE"By bilsclorThis is a very good history of an extraordinary man. He tried many things before settling on his life work. If you like his work, you'll like the book. It would be five stars for me if there were a few more pictures of his work.Very good printing and is available as a hard bound or soft bound book.If you admire Nakashima's work, you should like the book.0 of 0 people found the following review helpful. One StarBy Satisfied TexanThat's not the book I purchased.
