(Read and download) Girl Scout Collectors Guide: A History of Uniforms, Insignia, Publications, and Memorabilia (Second Edition)

## **Girl Scout Collectors Guide: A History of Uniforms, Insignia, Publications, and Memorabilia (Second Edition)**

**Mary Degenhardt, Judith Kirsch : Girl Scout Collectors Guide: A History of Uniforms, Insignia, Publications, and Memorabilia (Second Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Girl Scout Collectors Guide: A History of Uniforms, Insignia, Publications, and Memorabilia (Second Edition):

0 of 0 people found the following review helpful. Huge!By Wendy HoechstetterThis is one gigantic volume covering way more than I ever dreamed it would. It gets a little weak on the older Junior and Cadette badges, which is why I bought it (Cadette badges in particular are not illustrated, and even the Junior ones are mostly just in black and white), but if you are looking for a comprehensive history of Girl Scouting and its insignia and uniforms, you cannot possibly

go wrong. The seller also shipped quickly. 0 of 0 people found the following review helpful. Terrific Overview of Girl Scout Memorabilia By Tammy Slay A great book for anyone interested in all things Girl Scouts: the history, uniforms, merit badges, pins, handbooks, calendars, and other memorabilia. This book covers the founding of the Girl Scout Movement in Savannah, Georgia, by Juliette Gordon Low. The book also covers the history of Girl Scout uniforms and documents how uniform styles have changed over the years. The book includes tables listing merit badges for various time periods as well as color photographs of merit badges, insignia, patches, pins, calendars, posters, magazines, and books. Readers who were Girl Scouts, Girl Scout leaders, or volunteers will thoroughly enjoy this book. 0 of 0 people found the following review helpful. Valuable reference guide to GS collectors, historians and archivists. By Vanette Christensen Packed full of vital and concise information, this book is a valuable reference guide to collectors, historians and archivists dealing with Girl Scout Historical items and information. Well worth purchasing and owning.

A welcome new edition of a standard unavailable for nearly a decade In more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, womens studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and more from the founding of the Girl Scouts in 1912 through the present day. An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the worlds preeminent organization dedicated solely to girls. Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material culture brings the past to life. Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood*

From Booklist An appealing, readable compendium, this volume is intended as "an identification guide to official Girl Scout uniforms and insignia used in the United States from 1912 to 2003." The writing is upbeat and informative. The first nine chapters provide an overview of the development of the Girl Scouts and the badges, uniforms, and so on pertinent to each era. Most of the remaining chapters focus on memorabilia: calendars, dolls, postcards, and more. Throughout the book are numerous tables listing crests, proficiency badges, and components of uniforms. Annotated diagrams picture the correct assembly of sash, badges, scarf, and pins. A biography of Juliette Gordon Lowe and a multitude of drawings and black-and-white photographs add interest. A glossary of terms related to fabrics, fibers, and uniforms and a good index complete the volume. Updating a 1987 edition, this comprehensive work suits the needs of large public libraries and of colleges and universities offering women's studies course work. Mary Ellen Snodgrass Copyright American Library Association. All rights reserved About the Author Mary Degenhardt and Judith Kirsch, lifelong Girl Scouts, compiled the original *Girl Scout Collectors Guide* in 1987. Degenhardt, now an archivist with the National Historic Preservation Center, GSUSA, and Kirsch, a researcher at the Benson Ford Research Center in Dearborn, Michigan, devoted two years of concentrated effort to this new and expanded edition.
