**From Smithsonian : Glittering World: Navajo Jewelry of the Yazzie Family** before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Glittering World: Navajo Jewelry of the Yazzie Family*:

3 of 3 people found the following review helpful. Worth the wait. By Number 7 of 9 Magnificent and clear photos of the pieces - knockout! I haven't fully read the text, but what I have read is well written and informative. The photo of the blue corn bracelet alone practically makes the entire book worth it! 0 of 0 people found the following review helpful. Brilliant book on American Indian design as well as a great inspiration for all artisans. By Cathy This is a stunningly beautiful tribute to an amazing collection of jewelry and accessories. I rarely take the time to review books but regardless of whether you are a jeweler/metalsmith or consumer or just someone who loves art and design, this book truly inspires. The craftsmanship of the Yazzie family's heritage in metalsmithing is awe-inspiring. The oversized color photography of the pieces really showcase the detail in each piece. What a great book! 0 of 0 people found the following review helpful. ... is a major book about Navajo jewelry and the great Yazzie family of jewelers. By Mary in New York City this is a major book about Navajo jewelry and the great Yazzie family of jewelers....Dubin's books are absolutely "top of the line" ! this one has incredible photography....recommended to anyone interested in Navajo

culture and art.

Glittering World tells the remarkable story of Navajo jewelry--from its ancient origins to the present--through the work of the gifted Yazzie family of New Mexico. Jewelry has long been an important form of artistic expression for

Native peoples in the Southwest; its diversity of design reflects a long history of migrations, trade, and cultural exchange. Exceptional jewelry makers who have been active for nearly eight decades, the Yazzies are strongly rooted in and inspired by these traditions and values. Their works emphasize reciprocity, harmony, balance, and respect for family. As the companion volume to the Smithsonian's National Museum of the American Indian in New York exhibit of the same name, this book is richly illustrated with images of these beautifully crafted treasures, bringing to light some of the finest indigenous art being created in the world today. Its informative and lively narrative complements these stunning images to illuminate the fascinating story of continuity, change, and survival embodied by Navajo jewelry.

"Instantly captivated by the colorful, detailed images of intricate jewelry" - Art Jewelry About the Author LOIS SHERR DUBIN is the author of *The History of Beads: From 100,000 B.C. to the Present* (2009) and *Adornment: The Art of Barbara Natoli Witt* (2011). She has also curated exhibitions on Native American beadwork and jewelry.
