Great Ideas for Potters: Selected from Over Thirty Years of Readers' Suggestions

Barbara Tipton : Great Ideas for Potters: Selected from Over Thirty Years of Readers' Suggestions before purchasing it in order to gauge whether or not it would be worth my time, and all praised Great Ideas for Potters: Selected from Over Thirty Years of Readers' Suggestions:

0 of 0 people found the following review helpful. Best reference tool for potters
By James Gilley
This book is so informative. It was worth every penny. I keep it with my pottery tools and refer to it over and over. The tips have taught me so much and saves me lots of time and money.
0 of 0 people found the following review helpful. Good resource
By W. Horn
Bought this book as a resource for my wife, who is a potter. She said that it had many good tips and hints shared by other potters, and that it was a valuable resource for her. I bought it used, and it was a little more beat up than I thought it would be, but it is still readable and useful.

potters
By Maris Prost
was recommended. glad I bought it

This outstanding collection of 'Suggestions' from Ceramics Monthly readers provides more practical ceramic information than can be found anywhere for amateur and professional potters, as well as students.
