## Guide to Old Radios: Pointers, Pictures, and Prices

**David Johnson, Betty S. Johnson : Guide to Old Radios: Pointers, Pictures, and Prices** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guide to Old Radios: Pointers, Pictures, and Prices:

0 of 0 people found the following review helpful. Five StarsBy Ralph R. Klimek Jr.Great source of data for restoration projects.1 of 1 people found the following review helpful. Handy BookBy Thomas A JonesThis book is a great reference to owning historic radios. If You are interested in collecting historical things this is for you.0 of 0 people found the following review helpful. Fills the billBy Bill GriffithI haven't finished read the whole book yet but I'm loving it. Just what i was looking for.

A reference guide to vintage radios and associated collectables, this volume contains prices for over 3330 items, including amplifiers, test equipment and repair manuals. It explores changes in technology as well as in cabinet and speaker style. It also lists checks for value and safe operation.
