Best Stamp Book EverBy Philip MarlandI have been collecting stamps for many years now and wanted to purchase a book for two young kids I know to get them started - I can not tell you in this brief review how great this book is - it has excellent information and large color pictures of various stamps including one blue stamp from the US Columbus series - if you want to learn yourself and are just starting out or want to give as a gift this is a very well done and colorful book ! I would give it ten stars if I could !1 of 1 people found the following review helpful. Five StarsBy John W.
