[Read and download] Gun Digest Book of Firearms Assembly/Disassembly, Part II: Revolvers

## **Gun Digest Book of Firearms Assembly/Disassembly, Part II: Revolvers**

**J.B.Wood : Gun Digest Book of Firearms Assembly/Disassembly, Part II: Revolvers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gun Digest Book of Firearms Assembly/Disassembly, Part II: Revolvers:

0 of 0 people found the following review helpful. Good basic guideBy Robert WeaverA decent basic guide. Lacks small details if that's what you're looking for. Overall guide of basic disassembly. NOT a gunsmiths book so don't be surprised if it doesn't provide the detail you are looking for.0 of 0 people found the following review helpful. Decent BookBy Master HahnDecent book on a more obscure, limited audience topic. Some limitations present.0 of 0 people found the following review helpful. Does not include schematics i.e. Exploded viewsBy MKM OhioI do not recommend this publication, it has more firearms but does not include exploded views , i.e. Schematics. The earlier edition is great to have, I purchased both with the idea that this one would have more information in it, but in fact, it has less. The earlier edition I am talking about is the 1981 edition. I am skeptical about purchasing the lastest and will have to research it before I buy.
