Guns on the Early Frontiers: From Colonial Times to the Years of the Western Fur Trade (Dover Military History, Weapons, Armor)

Carl P. Russell : Guns on the Early Frontiers: From Colonial Times to the Years of the Western Fur Trade (Dover Military History, Weapons, Armor) before purchasing it in order to gage whether or not it would be worth my time, and all praised Guns on the Early Frontiers: From Colonial Times to the Years of the Western Fur Trade

(Dover Military History, Weapons, Armor):

1 of 1 people found the following review helpful. Most of those books have a better format. By DKU Lots of information but much of the same you can find in most similar books. Most of those books have a better format. 0 of 0 people found the following review helpful. Five Stars By Sandor Toth A very interesting book about a historical guns. 4 of 4 people found the following review helpful. Great reading for real flintlock gun lovers. By Jack Cusimano The book goes into great detail about the various old guns and the countries they were produced. It's for the real gun lover, that like old flintlocks and muskets.

This thoroughly documented, authoritative, and highly readable book not only details the weapons used during the settlement and westward expansion of America but also describes their use by fur traders, trappers, soldiers, and Native Americans. The result is a lively historical examination of the momentous events that were strongly influenced by the gun trade. The text is augmented and enriched throughout with clearly identified illustrations of everything from antique muskets, flintlocks, repeating rifles, and howitzers to bullet molds, powder horns, and other firearm accessories. An outstanding contribution to firearms literature. It sets its own standard. The New York Times. For collectors, museum curators, archaeologist-historians, this book is in its field an essential contribution. Kirkus. A Glossary of Gun Terms, ample footnotes most skillfully arranged, and illustrations complement the text which achieves the miracle of scholarship without tedium. San Francisco Chronicle.
