I decided I needed to own it! Lots of nice scarves and shawls to weave, but I use it mostly as a reference. 1 of 1 people found the following review helpful. ContentsBy 2crazy4books2Handwoven Design Collection 19 - Scarves and Shawls for all Seasonsedited by Madelyn van der Hoogt"Handweavers love scarves and shawls. They require no cutting or sewing and they can be woven on the simplest looms, yet they turn humdrum outfits into eye-dazzlers. This newest collection from Handwoven magazine includes 15 projects in glorious colors and intriguing weave structures in a wide range of materials-from silky to soft, woolly to gossamer, dressy to practical. Give them as gifts, use them to enhance a wardrobe, drape them on a couch or chair to enjoy, or hang them on the wall and call them art. Why not?"2-harness ~ 4-harnessA New Millennium
