[Read ebook] Harley-Davidson Collectible Tin: Two Decks

## **Harley-Davidson Collectible Tin: Two Decks**

**From United States Playing Card Company : Harley-Davidson Collectible Tin: Two Decks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harley-Davidson Collectible Tin: Two Decks:

This is a set of Harley-Davidson playing cards in a collectible tin. On the front of the tin is the Springer Softail. Introduced in 1988 it featured the first new Harley-Davidson front-end suspension system in 40 years. From the makers of Bicycle brand playing cards. In original cardboard box
