Skaneateles Lake (NY) (Postcard History)

Paul K. Williams, Charles N. Williams : Skaneateles Lake (NY) (Postcard History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Skaneateles Lake (NY) (Postcard History):

0 of 0 people found the following review helpful. Five StarsBy alisonloved it3 of 3 people found the following review helpful. An amazing readBy HelenaThis is simply a must have for your collection. Paul Williams has always been know for his spectacular work, but this is right near the tops. I HIGHLY recommend it!!!!

On the eastern edge of the famed New York State Finger Lakes is situated Skaneateles Lake, a name believed to have been derived from the Native American Onondaga tribe, meaning "long lake." The lake is, in fact, just over fifteen miles long, with an astonishing depth of three hundred fifty feet, and for over a century it was thought to have been

one of the purist bodies of water in the world. With nearly two hundred images, Skaneateles Lake shows early farmland, parks, sailboat races, and well-known Victorian places of water recreation and touring, for those seeking the health spas and bizarre, ornate hydrotherapies popular at the time. The lake and village have been enjoyed by many historical figures through time, from wealthy New York City summer visitors to presidential families from the Roosevelts to the Clintons.

About the AuthorThe father-and-son author team has had ties to Skaneateles since moving there in 1978. This is the fifth Arcadia book for Paul Williams. Auburn native Charles Williams has been collecting Skaneateles memorabilia since the 1970s, and the two have completed a postcard book on Owasco Lake.
