[E-BOOK] Southwestern Pottery: Anasazi to Zuni

## Southwestern Pottery: Anasazi to Zuni

**Allan Hayes, John Blom, Carol Hayes : Southwestern Pottery: Anasazi to Zuni** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Southwestern Pottery: Anasazi to Zuni:

1 of 1 people found the following review helpful. Five Stars By David L. Perry Great intro to Southwestern pottery. Buy this one, not the original edition (this is updated). 0 of 0 people found the following review helpful. Southwestern Pottery By Customer 2nd edition is better than 1st. Reading page by page. I would, however, liked to see a clear, labeled picture overlay; it's somewhat hard to ID the text with the pic. 0 of 0 people found the following review helpful. Excellent guide for any level of student or collector By D. Werner thoroughly updated--just plain thorough! Excellent guide for any level of student or collector!

When this book first appeared in 1996, it was Pottery 101, a basic introduction to the subject. It served as an art book, a history book, and a reference book, but also fun to read, beautiful to look at, and filled with good humor and good sense. After twenty years of faithful service, its been expanded and brought up-to-date with photographs of more than 1,600 pots from more than 1,600 years. It shows every pottery-producing group in the Southwest, complete with maps that show where each group lives. Now updated, rewritten, and re-photographed, it's a comprehensive study as well as a basic introduction to the art.

About the Author Carol and Allan Hayes are authors, collectors, and owners of Summerhouse Antiques ([www.summerhouseindianart.com](http://www.summerhouseindianart.com)), which specializes in Native American ceramics. Carol opened Summerhouse Antiques in 1980, and Allan has studied Southwestern pottery for more than thirty years. They live in Sausalito,

California. John Blom, a fellow collector and pottery student, is a photographer who lives in Reno, Nevada.
