**Calvert Albert Frederick : Spanish Arms and Armour, Being a Historical and Descriptive Account of the Royal Armoury of Madrid** before purchasing it in order to gage whether or not it would be worth my time, and all praised Spanish Arms and Armour, Being a Historical and Descriptive Account of the Royal Armoury of Madrid:

1 of 1 people found the following review helpful. Good content, but poorly reproducedBy A florida girlThis edition

suffers from the fact it is a scanned copy versus a new edition as the numerous OCR errors and poor quality of the photos are annoying to deal with. That being said, the content is useful and this reprint makes available information that was previously quite difficult to obtain.

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.
