Spiked Helmets of Imperial Germany: Volume One - Infantry Regiments, Pioneer Battalions, General Officers

Wm Randall Trawnik : Spiked Helmets of Imperial Germany: Volume One - Infantry Regiments, Pioneer Battalions, General Officers before purchasing it in order to gage whether or not it would be worth my time, and all praised Spiked Helmets of Imperial Germany: Volume One - Infantry Regiments, Pioneer Battalions, General Officers:

This monumental, two volume set, several years in preparation, includes over 400 color photographs, illustrations and period images from the finest collections in the United States and Europe. For the first time, collectors will see a comprehensive full color photographic lexicon picturing helmets from every unit of the Imperial German Army of 1914. Many of the photographs exhibit helmets of such rarity that they have never been seen outside a select group of advanced collectors. Carefully selected, each photograph and illustration affords the reader information not to be found elsewhere. Presented in a clear and easy to understand format, the detailed text covers evolution of the Pickelhaube from 1842 until 1918, helmet nomenclature, front plates of the Active, Reserve and Landwehr regiments, and identification tables for officer and other ranks helmets. Without a doubt, these are the most extensive and comprehensive books on this subject ever published in English. The information presented here will make this book essential for the novice and advanced collector, military historian and restorer.
