## Standard Catalog of World Paper Money Modern Issues DVD

**George Cuhaj : Standard Catalog of World Paper Money Modern Issues DVD** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Standard Catalog of World Paper Money Modern Issues DVD:

0 of 0 people found the following review helpful. OVER 1200 PAGES By BJChet Lots of information here. I found some money I was looking for and some money I did not find. You would think as big as this book is it would be fairly comprehensive but it is not. That's why I'm giving it only 4 stars. Also the pages are black and white and kind of like news print so you miss some of the beautiful details of the money. Of course color and gloss would be perfect, but you probably would not be able to afford it because of the expense. It's good, but not great. 0 of 0 people found the following review helpful. Perfect By SandyLove the book, it was perfect! I would buy more from this seller. This book has so much information, it has helped me identify a few items I had untitled. The CD is awesome too, now I have the book on my laptop as well. 0 of 0 people found the following review helpful. World Bank notes catalogue By Harvey FoyI was able to trace a lot of names of my bank notes and countries which was a great help.

This book contains complete and extensively illustrated listing of world paper money from 1961 to date, including numerous varieties and newly added specimen notes in this one-of-a-kind reference. All pricing has been thoroughly analyzed and updated, making this a must for dealers and collectors. Completely analysed and updated pricing, is extensively illustrated with hundreds of new or improved images, and has numerous previously unlisted varieties including specimens.

About the Author George S. Cuhaj is an experienced and accomplished numismatist and researcher. George is a collector with a passion for this hobby, as well as several others. George, a former cataloger for both Stack's Auction House in New York and the American Numismatic Society offers a wealth of knowledge to the KP line. George continues to develop his network of over 175 dedicated contributors.
