Stanley Catalog Collection, Vol. II

Emil Martly Pollak : Stanley Catalog Collection, Vol. II before purchasing it in order to gage whether or not it would be worth my time, and all praised Stanley Catalog Collection, Vol. II:

This second collection of 19th century Stanley catalogs supplements the earlier Stanley Catalog Collection with catalog reprints from 1872, 1874 (revised to 1876), 1877, 1884, and 1892 (revised to 1897), in addition to the Leonard Bailey catalogs of 1876 and 1883. Introductions and commentary by noted Stanley experts John Walter and Ken

Roberts provide the reader with fascinating and illuminating historical background on Stanley and its products through the century.

Wise collectors have long understood the value of catalog reprints. This book should be a welcome addition to many reference libraries. --Antique Week
This volume contains a great deal of original source material and should be an excellent reference work for the tool collector. --The Fine Tool Journal
