**Stanley Gibbons : Stanley Gibbons King George VI Catalogue** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stanley Gibbons King George VI Catalogue:

BW Doesn't Cut ItBy Michael Sales, Co-author, Life Sustaining OrganizationsThis thin volume isn't what I expected although publications from Gibbons end to be quite expensive; so, I shouldn't have been surprised. I'm sure the information is complete, but the print is very fine. I was expected a compact and focused version of the larger Commonwealth and British Empire Stamps (1840-1970), which I also own and is in color throughout.
