0 of 0 people found the following review helpful. NEW IMPROVED SIZE!!By David ArnoneThe new version is approximately 6.5 X 9.5 inches, smaller than the previous 8.25 X 11.5, thus making it easier to access and store. A comprehensive listing with many color images throughout. The philatelic glossary is now laid out in color and a new "Guide to Entries" section explains the meaning of all the headings within the catalog.
