Statehood Quarter Coin Album 1999-2008

Whitman : Statehood Quarter Coin Album 1999-2008 before purchasing it in order to gage whether or not it would be worth my time, and all praised Statehood Quarter Coin Album 1999-2008:

One came with a price sticker stuck to the front. It looked like someone had tried to peel it off and couldn't so they sent it anyway. It took me an hour to scrape it off and left marks on the cover of the book. No time to return it. Very disappointed. 0 of 0 people found the following review helpful. Four Stars By Baorong Li I like this product; but sometimes, the defect rate is too high, mainly with the hinges. 1 of 1 people found the following review helpful. Great gift for a kid By Thomas D. Smolenski My little girl loved it. Best 10 bucks I've spent to make a child smile. Well made and well worth the money. Delivered within a week to Okinawa, Japan.

Thanks .
