Limited Steiff pricing book!By GwenDidn't have the stuffed Steiff animals in the book for pricing. Still a nice book!6 of 6 people found the following review helpful. Steiff Identification Price GuideBy L. PlumleyThis book does not cover all the Steiff animals, I was disappointed in it as far as that goes. It mainly focuses on the Teddy Bears with some photos and mention of other animals, but again not all of them by any means.

Devoted to Steiff, Linda Mullins' newest identification price guide looks at the oldest and most famous of all bear makers. Producing plush animals since 1902, Steiff is clearly the leader in desirability and value because of its impeccable quality and craftsmanship. Collectors of Steiff will enjoy the 350 beautiful photographs of their favorite

Steiff animals, and find the secondary market price guide to be accurate and informative. This book contains bears and other Steiff animals from 1904 to the present line of 2001. In addition, there are guidelines for buying and selling, and tips for identifying your Steiff animal. Museum replicas, special and limited edition Steiff, along with Walt Disney World(r) convention bears and Steiff collector's club special edition animals are part of this all-encompassing guide which Steiff collectors will relish. Important milestones, bears and animals in Steiff's history are showcased. Linda Mullins, known as the Ambassador to the Teddy Bear world, authors yet another satisfying and complete book for collectors.
