Sterling Silver Flatware for Dining Elegance: With Price Guide (A Schiffer Book for Collectors)

Richard Osterberg : Sterling Silver Flatware for Dining Elegance: With Price Guide (A Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sterling Silver Flatware for Dining Elegance: With Price Guide (A Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Basic info but nothing specialBy Sandra WillsonNot as informative as later books on silver by the same author. Mail service was quite prompt.0 of 0 people found the following review helpful. What is a muddling spoon?By Nunya InctI love this book. The pictures do clear up questions as to sizing and function of the more obscure pieces used in bygone days that you may be fortunate enough to find for sale, such as a muddling spoon. Nice book for the serious collector or a casual admirer.1 of 1 people found the following review

helpful. HEAVENLY ARTWORK on a DINING TABLEBy amazingraceDo you love silver; old flatware patterns of silver; tea sets; the customs and accoutrements of a more leisurely time? Then do treat yourself to this book, if not for its information, then for the eye candy the place settings and objects de'art presented in this lovely book!

Book by Osterberg, Richard

From Library JournalThe vast amount of silver removed from the Comstock Mine from 1859 to 1862, and again from 1873 to 1882, caused the price of silver flatware to fall in the United States. With the expanded demand by customers, manufacturers began to create a variety of unique and interesting forms and designs, many of which reflected the current vogue of art and history. Osterberg (The Silver Flatware Dictionary, A.S. Barnes, 1979) now offers an encyclopedia of sterling flatware for the collector. Though heavy on 19th-century pieces, this books offers examples as recent as 1975, along with price guides and inventory charts. The black-and-white photographs best show pattern relief and richly illustrate a work that will be welcome in any antiques reference collection. Joseph Hewgley, Nashville P.L.
