Stoneware and Porcelain

Daniel Rhodes : Stoneware and Porcelain before purchasing it in order to gage whether or not it would be worth my time, and all praised Stoneware and Porcelain:

Out of the fire comes the history, creation, and artistry of wood-fired wares. Includes in-depth studies of contemporary kiln designs, complete with schematics and photos, an analysis of the firing process, clays as they relate to woodfiring, and contemporary expressions in woodfiring from 1900 to present.

About the Author **DANIEL RHODES** is Archaeologist at the National Trust for Scotland. He has worked as a professional archaeologist in Ireland, Iceland, and East Africa.
