An exquisite collection of celebrity portraits showcasing Bulgari's commitment to Save the Children. In 2009, Bulgari entered into a partnership with Save the Children, and its contribution to the charity has now reached \$35 million. United in solidarity to improve the lives of some of the world's most vulnerable and deprived children, Bulgari and Save the Children are joined by dozens of the most celebrated figures from the worlds of entertainment, sports, and music in Stop Think Give. Over the years, renowned photographer Fabrizio Ferri has shot celebrities from all over the world wearing a Save the Children ring and pendant, often with hands held aloft to symbolize putting a stop to child poverty. The celebrity protagonists, each of whom participated in the project on a pro bono basis, include Naomi Watts, Adrien Brody, Meg Ryan, Luke Evans, Oliver Stone, Pedro Almodvar, Isabella Rossellini, Marina Abramovi,

Sting, and Jessica Biel. Large in format, with intimate timeless portraits, this stunning work is a fitting document of a most worthwhile cause.
