Stuck On You charts the history of soccer stickers in the UK those little bundles of self-adhesive joy that have given so much to so many since the 1970s. Immerse yourself in Panini v Merlin and the seedy underbelly of the sticker business and wallow in the nostalgia of swapping in the school playground, shinies, and recurring doubles.

About the Author Greg Lansdowne studied at Leicester University's Sir Norman Chester Centre for Football Research before working with Sportal, Umbro, and Virgin. He was the first communications manager for Essex CCC, and published his own cricket magazine, Big Hitter.
